

144th COMBAT SUPPORT SQUADRON

MISSION

The 144th Combat Support Squadron provides support for the operation of the California Air National Guard unit based at Fresno. This support includes food services, crash rescue and structural firefighting, engineers, base communications, motor pool, base personnel, administrative services, comptroller, data processing, and publications. Men of the Combat Support Squadron administer OJT programs and CDC testing. Recreation for personnel of the 144th Fighter Group is also provided by this squadron.¹
