OPERATIONS

Organized July 1, 1964 with the reorganization of the 169th Fighter Group, the 169th Combat Support Squadron assumed responsibility for most SCANG support functions.

Today with 102 members, it does everything from cooking to cutting orders, although base communications and security police were cut out of its duties when the 169th Communications Flight (Support) and the 169th Weapons Systems Security Flight were formed.
