

208th WEATHER FLIGHT

MISSION

The 208th Weather Flight can deploy Combat Weather Teams within 72 hours notice, providing front line combat tactical meteorological services to a U.S. Army Division Tactical Operations Center for mission specific ground and air operations. The 210th has also supported Air Expeditionary Forces taskings worldwide. This unit works closely with the 133rd Airlift Wing and the Army National Guard's 34th Infantry Division. Recently, this unit has deployed to Kosovo, Afghanistan, Pakistan, Arizona for Operation Jump Start and within the state to the Boundry Waters Canoe Area
