OPERATIONS

In 1970, the 299th Tactical Forces Planning Group was formed at Robertson Air National Guard Base. The mission of the 299th was to plan and coordinate large scale exercises of the Guard Strike class. Col. Robert Smith was the commanding officer and Col. Francis Noyes was deputy commander.

Guard Strike IV was especially significant for Missouri in that this was the last exercise planned and coordinated by the 299th Tactical Forces Planning Group, located at Robertson ANG Base, Lambert Field, Mo. The 299th was to be deactivated in October of 1972.
