### **EMBLEM**

Azure, a cross enhanced Gules, fimbriated Silver Gray, in base a sun covert with a stylized mountain issuant from base of the third detailed Argent, overall a caduceus sans wings Sable. Attached below the disc, a Blue scroll edged with a narrow Yellow border and inscribed "341ST MED OPERATIONS SQ" in Yellow letters. **SIGNIFICANCE:** Blue and yellow are the Air Force colors. Blue alludes to the sky, the primary theater of Air Force operations. Yellow refers to the sun and the excellence required of Air Force personnel. The cross and caduceus symbolize the Squadron's commitment to provide the best medical service to the wing by providing healthy, combat-ready personnel and aerospace forces. The sun rising over the mountains represents a new era of highly trained personnel and technology for prevention based health management. (Approved, 28 Oct 1999)
