

## 552<sup>nd</sup> AIR CONTROL GROUP

### **MISSION**

The 552d Air Control Group is responsible for operations, maintenance, training, and combat support for three combat-coded Control and Reporting Centers. Additionally, the Group provides software and ground communications for the E-3 Airborne Warning and Control System fleet. The group consists of one air control networks squadron, an operations support squadron, one geographically separated training squadron, and three geographically separated air control squadrons.
