The 586th Expeditionary Mission Support Group, operating at an air base in Southwest Asia, and the 732nd Expeditionary Logistics Readiness Squadron at Joint Base Balad, Iraq, were inactivated earlier this month during separate ceremonies. The 586th EMSG had been supporting operations in Iraq since September 2005 by performing tasks such as detainee transportation security, outside-the-wire patrols, and remotely piloted aircraft operations. The unit officially ended its activities on June 17, 2010.
