The establishment of the 850th AC&W Squadron was on 1 October 1951. The 850th became the group's headquarters squadron and ADCC personnel were transferred from the 315th AD to the 850th. The 850th remained in that role until it was inactivated in late 1952.

On 10 November 1952, the 850th ceased to exist on paper. Personnel of the 850th were assigned to 527th HQ and a headquarters detachment was formed in its place.
