

10 COMMUNICATIONS SQUADRON

MISSION

The 10 Communications Squadron supports the communications, computer, and information requirements of more than 9,000 military and civilian members. This includes more than 4,000 cadets attending one of the country's finest institutions of higher learning and military training. The 10th CS is a diverse organization of military, civilian and contract workers dedicated to the motto, "Taking Service One Step Further" by providing customers with the finest communications capabilities possible.
