OPERATIONS

The 1st and 2nd Materiel Squadrons, which were performing maintenance at Wheeler, were redesignated the 24th and 25th Materiel Squadrons, respectively.

25 Jun 42 - The Hawaiian Air Depot activated a sub-depot at Wheeler Field to maintenance on aircraft based at Wheeler. The 24th and 25th Materiel Squadrons which originally accomplished this work were reformed into service squadrons and became mobile units which performed

maintenance. The change brought about an increase in the mobility of the organization and reduced the number of administrative personnel assigned.
