MOTTO

OPERATIONS

The 42 Transportation Squadron provided Loring AFB members services needed in Vehicle Operations, Vehicle Maintenance and Traffic Management. The Vehicle Operations Branch is

responsible for managing a base fleet of over 50 vehicles. The people that ran this branch provided the base with taxi services, aircrew transportation and “U-Drive-It” Vehicles.

The Vehicle Maintenance Branch provided all necessary vehicle repair work for the base fleet. The Traffic Management Branch located in BLDG 7210 provided numerous services to the base populace. This squadron included the movement of passengers, in both PCS and TDY status, as well as responsibility for personal property shipments. The warehouse section of this branch provided the services needed in the packing and movement of cargo, both by air and surface. The Plans and Programs Branch is responsible for all squadron plans and programs and base-wide mobility augmentee training.
