EMBLEM

Yellow is an Air Force color. Yellow refers to the sun and the excellence required of Air Force personnel. The wings of the eagle are on a blue disc suggesting a globe and reflect the comptroller's support to expeditionary forces and global air power. The dollar signs encircling the disc indicate the unit's around-the-clock fiscal mastery. The torch represents the unit's dedication, diligence, and commitment to the financial aspects of the squadron's parent organization. (Approved, 7 Dec 1998)
