EMBLEM

Ultramarine blue and golden yellow are the Air Force colors—blue alludes to the sky, the primary theater of Air Force operations, and yellow to the sun and excellence of personnel in assigned duties. The chain symbolizes the unity of command and strength of the entire Squadron as a unit. The lightning bolts denote speed of response and the four areas symbolize the four cardinal points of the compass representing the unlimited range and purpose relating to the mission of the Squadron. (Approved, 30 Dec 1968)
