

49 CONTRACTING SQUADRON

MISSION

The 49 Contracting Squadron directs contracting programs and provides business advice on an average of 1000 contract actions valued in excess of \$45 million annually. We support the acquisition and administration of commodities, services, and construction requirements in support of the 49th Fighter Wing and 35 tenant units including the 46th Test Group, 55th Space Weather Squadron, German Flying Training Center, and 49th Material Maintenance Group.

The squadron also supports major acquisition efforts, including the planning, solicitation, award, and administration of contracts for medical, logistics, supply, services and construction requirements for current operations and the maintenance and upgrade of the base infrastructure and quality-of-life enhancements.

The 49th Contracting Squadron manages the base Government Purchase Card program valued at more than \$15 million annually with over 25,000 contract actions.

They are responsible for quality, delivery, and timely customer mission support in accordance with Federal Acquisition Regulations and public law. The 49th Contracting Squadron also provides world class contingency contracting services in support of deployments and emergency operations.
