OPERATIONS

The major east coast air terminals serving Europe were New York International Airport (Kennedy) for contract airlines and McGuire AFB, New Jersey, or Westover AFB, Massachusetts for MATS military air transports. Whether departing or returning to New York, most USAF personnel were processed by the 2267th Personnel Processing Squadron (CONAC), and later HQ 3121st USAF Logistic Control Group (Atlantic) (AFLC) at Manhattan Beach Air Force Station in Brooklyn, New York.
