

9 MAINTENANCE OPERATIONS SQUADRON

MISSION

The 9 Maintenance Operations Squadron provides world-class staffing, training and equipping of aviation maintenance personnel, additionally the 9th MOS provides world-class resource planning, scheduling, management and analysis to ensure a ready, viable Intelligence, Surveillance and Reconnaissance fleet in support of the 9th Reconnaissance Wing's peacetime and wartime efforts.

Nearly 80 active duty and civilian members are assigned to the 9th MOS. The unit is organized into three flights. Maintenance Operations Flight consists of Maintenance Data Systems Analysis, Engine Management, Supply Liaison, Maintenance Operations Center, and Plans, Scheduling and Documentation sections. Programs Flight consists of the Facility Manager, Security Manager, Manpower Manager, Resource Advisor and Unit Deployment Manager. The Maintenance Training Flight consists of the Development and Instruction section and the Unit Training Manager section.
