**MOTTO**

**NICKNAME**

**OPERATIONS**

A new squadron as new and as accurate as electronics itself is the 81st Armaments and Electronics Maintenance Squadron, the second largest squadron of the 81st Tactical Fighter Wing. Activated at Bentwaters in July 1958

The mission of this young squadron is to provide organizational and field level maintenance on the Armament and Electronics systems in all aircraft possessed by the Wing, and to accomplish the loading of weapons on Unit Mission aircraft when required.
