

84th COMBAT SUSTAINMENT GROUP

MISSION

The 84th Combat Sustainment Group is the Air Force Materiel Command management office for assigned Space and C3I systems, subsystems, programs, projects and associated items. Its resources support acquisition and logistics functions, including engineering services, budget planning, and program execution, hardware and software depot-level maintenance.

The 84th Combat Sustainment Group develops, acquires, improves, and sustains 19 major C3I systems, space ground segments and Presidential telecommunications systems. Our customers include the National Command Authority, the Services, combatant commands, federal agencies, and foreign sales customers. We manage systems valued at over \$3.5B and execute \$600M annually to sustain and provide spare parts to war fighters for fielded systems worldwide.
