### **EMBLEM**

On a disc Azure, in base a Pegasus ascending to dexter regardant, wings displayed Argent, in chief two lightning bolts overlaid in chevron surmounted by a key palewise wards to sinister chief between six mullets in chevron, three and three Or, all within a narrow border Black. Attached below the disc, a White scroll edged with a narrow Black border and inscribed "99TH LOGISTICS READINESS SQ" in Black letters. **SIGNIFICANCE:** Ultramarine Blue and Air Force Yellow are the Air Force colors. Blue alludes to the sky, the primary theater of Air Force operations. Yellow refers to the sun and the excellence required of Air Force personnel. The Pegasus represents the unit's mission to supply and transport, as Pegasus supplied lightning bolts to Zeus. The lightning bolts symbolize protection and, combined with the key, represent the incorporation of the 99th Logistics, the 99th Transportation and the 99th Supply into one Squadron. The stars signify the Squadron's contributions to aerospace power. (Approved, 11 Feb 2003)
