Blue and yellow are the Air Force colors. Blue alludes to the sky, the primary theater of Air Force operations. Yellow refers to the sun and the excellence required of Air Force personnel. The three stars represent the civilian, enlisted and officer members of the health care team. The nebuly divided shield symbolizes the interlocking relationship between force readiness and health. The Staff of Aesculapius reflects the medical field and the care the squadron provides to the success of the mission. (Approved, 30 Jul 1999)
